Move Local

No matter where you work in Sainsbury's, there's so much to discover. Did you know that you can move across division to a Sainsbury's Local – where there are opportunities for Store Managers, Deputy Managers and Team Leaders?

It means that you can take your retail skills into new environments and try new challenges. Plenty of colleagues are already transforming their careers by moving between Supermarkets and Convenience, becoming better equipped and more experienced.

We are opening 125 stores this year, and our vacancies will be focused on where this growth is happening.
